January 2020

Welcome to Carryduff Baptist Church. We're delighted that you're here and we hope you will enjoy our time together.

A few things you might want to know.

- Our Sunday services are live-streamed for those who are unable to attend. We keep the back row on the left out of shot for those who'd rather not be a part of that. To watch go to www.youtube.com and search for Carryduff Baptist Live Stream.
- Most Sunday mornings we have *Children's Church* where any primary school aged children can go out during the sermon for a lesson and activity suitable for their age. We'll let you know when that happens.
- We also have a crèche if you need to take your children out where you'll still be able to hear the service and watch what's going on.

For most of the Sunday mornings this month we plan to be studying John's Gospel
